## Domestic Home Protection.

Dear Sir/Madam,

We are doing night time Security patrols in your area, for a period of 12 hrs per night.

We would like to invite you to join in the community and be one of the properties that are checked throughout the night.

What this initials.

- Drive to your property check doors window cars gates sheds if accessible to make sure they are safe and secure.
- We provide a visible deterrent to anyone that is up to no good to keep your property safe.
- We provide a report delivered to you in writing with a full rundown of all checks made.
- You can contact the night patrol throughout the 12 shift or control on a 24hr number.

The cost of a whole nights visit is £5.00 per night or £30.00 for seven days that's a saving of £5 that's one free night if paid in advance, or you could pay monthly at a cost of £120.00 that's four nights a month free.

All Security Guards are fully vetted and trained and will be fully uniformed.
